

RAFTING ON THE KOPRULU RIVER

FROM ANTALYA / KEMER / BELEK / SIDE AREAS

This exciting day will begin with you being collected from your hotel for the drive to the Köprülü River. Experienced rafters will provide a full safety instruction briefing, before you change into your rafting gear and prepare to get wet!

The total length of the course is approx. 15 kms. Though not for the faint-hearted as some of the waters are fast flowing rapids, it is safe for all family members from age 8 upwards. Experienced rafters accompany all rafts at all times.

Half way down the course, a lunch break will be provided on the banks of the river, where you can share your excitement and experience with your fellow rafters. Along the way, stops will also be made at the Hidden Canyon and Beşkonak Castle.
