

## SCUBA DIVING

### FROM ANTALYA / KEMER / BELEK AREAS

Early in the morning, our guests will be picked up from their hotels by bus and will be taken to the Kemer Marina, for boarding the boats that shall take them to the diving location.

Welcome on board and brief introduction to security alerts and use of the equipment prior to sailing to the famous 'Three Islands', where we shall exercise the diving.

Spending your holidays in Turkey would not be complete without experiencing any Scuba Diving at the 'Three Islands', a paradise for every diver!

After the first diving course, we will have a light meal on board and time to rest. The second course will be in the early afternoon and after finishing, we will slowly sail back to the Kemer Marina.
